Parmelia Hilton Perth
Hotel

Stirling Room

14 Mill Street
Perth, 6000, Australia

01 Arrival & Registration

Hosted by Dassault Systèmes
7:45am - 8:15am

02 Robustic Strategic Mine Planning

Reveal the true NPV of your mine when you can simulate thousands of potential scenarios to find the one that best suits your needs, even in times of market uncertainty. In this session, we will bring together the two worlds of simulation and optimization by utilizing the power of automation provided by our SIMULIA solutions and the advanced mine planning tools offered by GEOVIA Whittle.

8:15am - 8:50am

Speaker:
Kenneze SANTIC

AP SOUTH Industry Process Consultant

03 Networking Breakfast

Hosted by Dassault Systèmes
8:50am - 9:30am
