

# AGENDA

## MODELING & SIMULATION Conference 2023

November 07, 2023 | CET 1:00–4:30 pm | Virtual  
November 07, 2023 | EST 1:00–4:30 pm | Virtual  
January 30, 2024 | SGT 1:00–4:30 pm | Virtual

Time (CEST/EST/SGT) PLENARY

1:00 PM	Welcome & Executive Remarks Sebastien Gautier, SIMULIA Worldwide Sales & Marketing VP, Dassault Systèmes Olivier Sappin, CATIA CEO, Dassault Systèmes
1:30 PM	Integrated Application of the Design and Simulation for NIO Automotive Electric Drive System Nancy Tang, CAE Manager, EH Dept., NIO
2:00 PM	Transformation through Modeling & Simulation (MODSIM) Joe Amodeo, SIMULIA Industry Process Director Daniel Pyzak, CATIA Senior Director Frédéric Merceron, T&M Industry Solution Experience Director Patricia Millot, SIMULIA Industry Process Consultant
2:50 PM	Streamlining Product Development using MODSIM in Resemin Fernando Diaz, Engineering Manager, RESEMIN Manuel Morales, Mechanical Design and Structural Analyst, RESEMIN
3:20 PM	Closing Remarks for Plenary
3:20 PM	Break   10 min

### PANEL DISCUSSIONS

3:30 PM	CHOOSE FROM:
	1. How MODSIM Benefits the Development of Packaging Moderators: Mel Creasey & Matthias Friedrich, Dassault Systèmes
	2. Accelerate Innovation of High-Tech & Medical Devices with MODSIM <b>Moderators: Jonathan Oakley, Karl D'Souza &amp; Srikrishna Chittur, Dassault Systèmes</b>
	3. Modeling & Simulation Flying Towards New Horizons: From Concept to Certification Moderators: Swen Noelting & Martin Dreau, Dassault Systèmes
	4. Accelerate Advanced Design Concepts For Product Design Moderators: Rick Shock & Manohar Prabhu, Dassault Systèmes
4:30 PM	End of Conference
